WHO WE ARE

We are a UK based law firm delivering professional legal services to a client base around the world. We act for private individuals, businesses, charities, celebrity and brand influencers, agents, and sportspersons.

As a firm we look to create long-lasting relationships with our clients, which enables us to provide a tailored service with a personal touch.

We are specialists in all types of dispute resolution, commercial matters and investments.

We have particular expertise in commercial contracting both domestic and cross-border, business restructures, commercial property and investment, e-commerce and brand protection, and intellectual property disputes.

“

Having previously used multiple solicitors across various matters, once we approached AI Law we quickly established that they were experts in most areas of law. We subsequently gave the firm all of our business exclusively, and we haven't looked back.
